

Announcing AAA-ICDR Foundation New Priority

## Integrating Mediation Into Crisis Response Systems

By integrating mediation and conflict resolution into alternative crisis response initiatives, the Foundation's goal is to strengthen community-centered approaches to public safety and law enforcement engagement.

Our goal is to help communities resolve conflict before it escalates, building collaborative and safer relationships between residents and law enforcement.

Through this focus, we'll support programs that:

- ➔ Equip crisis responders with mediation skills
- ➔ Foster community-led problem solving
- ➔ Reduce violence and strengthen trust

Over the next 3–5 years, we will scale this approach nationally, advancing mediation as a vital tool for public safety and community well-being.
