

Darren Pouliot

Darren Pouliot is a Senior Associate in Orrick's leading International Arbitration group. Based in London, Darren is a dual-qualified American lawyer and Solicitor-advocate of England and Wales. He acts for clients in the Energy, Technology, Finance, and Life Science industries.

Darren uses his multi-jurisdictional background and hard-won experience to advise clients throughout the dispute lifecycle — from the drafting of dispute clauses to the assessment of legal and commercial risk to the conduct of arbitration through and beyond trial.

Darren, originally from Silicon Valley, is passionate about technology. Innovation in legal practice is an area of continuing, relentless focus for him.
