$318,043,091

- Median Counterclaim: $300,000
- Average Counterclaim: $3,741,683
- Largest Counterclaim: $100,000,000

Do you really need three arbitrators for a million dollar technology dispute?

54% One Arbitrator vs 46% Three Arbitrators

More than 1/2 of the parties with a large technology dispute select a single arbitrator.

A single arbitrator instead of a panel of three is a great way to lower costs.

Savings of 82% in arbitrator compensation

Parties that select a single arbitrator instead of three can reduce arbitrator compensation costs by 82%

70% of cases settle prior to an award

25% settle prior to incurring any arbitrator compensation
